

“Arcade Reboot”  
 cabinet plans version 1.1  
 - notes page

3/4" MDF board.  
 Speaker panel may  
 be thinner

Inside cabinet width 24"

□ = 1 inch

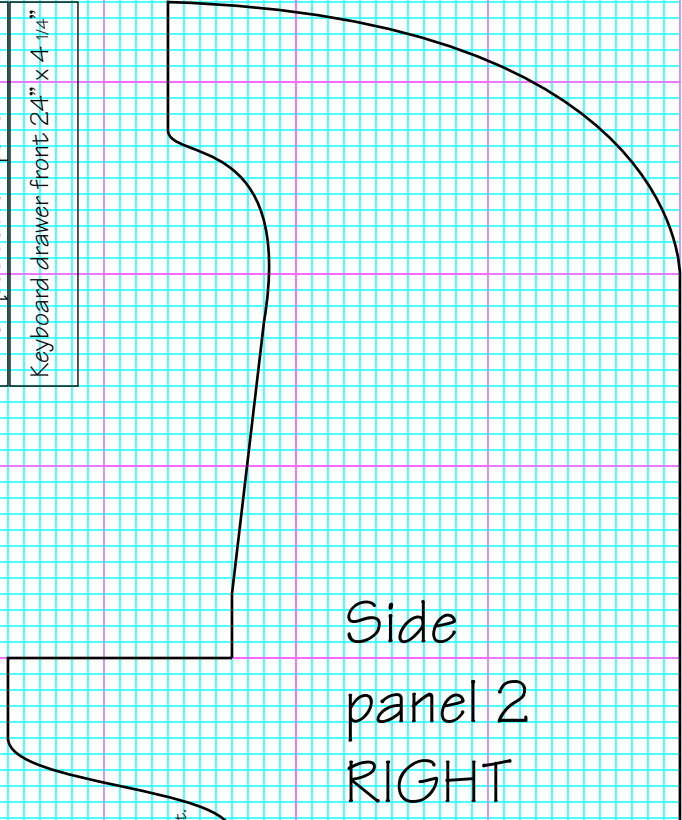

Front Panel -  
between control and  
monitor shelf  
24" x 15"

Marquee top panel 24" x 4"
Marquee bottom panel 24" x 2"
Keyboard drawer front 24" x 4 1/4"

Control Panel  
Shelf  
24" x 14"

↓ ↓-molding this edge only ↓

Could possibly be combined with monitor shelf?  
If so, front panel between the two would need to be cut.

Side  
panel 2  
RIGHT  
(trace side  
panel 1  
so they  
will match)
